These risks include, but are not limited to, (i) the risk that the proposed business combination may not be completed in a timely manner or at all, which may adversely affect the price of GPAC II’s securities; (ii) the risk that the proposed business combination may not be completed by GPAC II’s business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by GPAC II; (iii) the failure to satisfy the conditions to the consummation of the proposed business combination, including the approval of the proposed business combination by GPAC II’s shareholders and Stardust Power’s stockholders, the satisfaction of the minimum trust account amount following redemptions by GPAC II’s public shareholders and the receipt of certain governmental and regulatory approvals; (iv) the effect of the announcement or pendency of the proposed business combination on Stardust Power’s business relationships, performance, and business generally; (v) risks that the proposed business combination disrupts current plans of Stardust Power and potential difficulties in Stardust Power’s employee retention as a result of the proposed business combination; (vi) the outcome of any legal proceedings that may be instituted against GPAC II or Stardust Power related to the agreement and the proposed business combination; (vii) changes to the proposed structure of the business combination that may be required or appropriate as a result of applicable laws or regulations or as a condition to obtaining regulatory approval of the business combination; (viii) the ability to maintain the listing of GPAC II’s securities on the Nasdaq; (ix) the price of GPAC II’s securities, including volatility resulting from changes in the competitive and highly regulated industries in which Stardust Power plans to operate, variations in performance across competitors, changes in laws and regulations affecting Stardust Power’s business and changes in the combined capital structure; (x) the ability to implement business plans, forecasts, and other expectations after the completion of the proposed business combination, and identify and realize additional opportunities; (xi) the impact of the global COVID-19 pandemic; and (xii) other risks and uncertainties related to the transaction set forth in the sections entitled “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements” in GPAC II’s prospectus relating to its initial Public Offering (File No. 333-351558) declared effective by the U.S. Securities and Exchange Commission (the “SEC”) on January 11, 2021 and other documents filed, or to be filed with the SEC by GPAC II, including GPAC II’s periodic filings with the SEC, including GPAC II’s Annual Report on Form 10-K filed with the SEC on March 31, 2023 and any subsequently filed Quarterly Report on Form 10-Q.
