Item 1.01 - Entry into a Material Definitive Agreement.

On February 12, 2026, Stardust Power Inc. (the “Company”) entered into a Common Stock Purchase Agreement (the “Purchase Agreement”) and a related Registration Rights Agreement (the “Registration Rights Agreement”) with B. Riley Principal Capital II, LLC (“B. Riley Principal Capital II”), the selling stockholder. Upon the terms and subject to the satisfaction of the conditions set forth in the Purchase Agreement, the Company will have the right, in its sole discretion, to sell up to \$10,000,000 of newly issued shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”) to B. Riley Principal Capital II, subject to certain conditions and limitations contained in the Purchase Agreement, from time to time during the term of the Purchase Agreement. Sales of Common Stock pursuant to the Purchase Agreement, and the timing of any sales, are solely at the option of the Company. The Company is under no obligation to sell any securities to B. Riley Principal Capital II under the Purchase Agreement.

Upon the initial satisfaction of each of the conditions to B. Riley Principal Capital II’s purchase obligation set forth in the Purchase Agreement (the initial satisfaction of such conditions, the “Commencement,” and the date on which the Commencement occurs, the “Commencement Date”), including that a registration statement registering under the Securities Act of 1933, as amended (the “Securities Act”), the resale by B. Riley Principal Capital II of shares of Common Stock issued to it by the Company under the Purchase Agreement, which the Company agreed to file with the U.S. Securities and Exchange Commission (the “SEC”) pursuant to the Registration Rights Agreement, is declared effective by the SEC and a final prospectus relating thereto is filed, the Company will have the right, but not the obligation, from time to time at its sole discretion over the 36-month period beginning on the Commencement Date, to direct B. Riley Principal Capital II to purchase a specified number of shares of Common Stock on the open market, not to exceed certain limitations as set forth in the Purchase Agreement (each, a “Market Open Purchase”), by delivering written notice to B. Riley Principal Capital II prior to the commencement of trading of the Common Stock on The Nasdaq Capital Market (“Nasdaq”) on any trading day (the “Purchase Date”), so long as (i) the closing sale price of the Common Stock on the trading day immediately prior to such Purchase Date is not less than a specified threshold price as set forth in the Purchase Agreement and (ii) all shares of Common Stock subject to all prior Market Open Purchases and all prior Intraday Purchases (as defined below) effected by the Company under the Purchase Agreement (as applicable) have been received by B. Riley Principal Capital II at such time and in the manner set forth in the Purchase Agreement.

The purchase price of the shares of Common Stock that the Company elects to sell to B. Riley Principal Capital II in a Market Open Purchase pursuant to the Purchase Agreement will be determined by reference to the volume weighted average price of the Common Stock (“VWAP”), during the period (the “Market Open Purchase Valuation Period”) beginning at the official open of the regular trading session on Nasdaq on the applicable Purchase Date and ending at the earliest to occur of (i) such time of official close of the regular trading session, (ii) such time during such regular trading hour period, the trading volume threshold calculated in accordance with the Purchase Agreement is reached, and (iii) if the Company further specifies in the applicable purchase notice for such Market Open Purchase that a “limit order discontinue election” shall apply to such Market Open Purchase, such time the trading price of the Common Stock on Nasdaq during such Market Open Purchase Valuation Period falls below the applicable minimum price threshold determined in accordance with the Purchase Agreement, less a fixed 3.0% discount to the VWAP for such Market Open Purchase Valuation Period. The calculations of the VWAP and the volume of shares traded for purposes of determining whether such volume threshold is reached will exclude the opening and closing trades in the Common Stock during regular trading hours on the applicable Purchase Date, to the extent they occur during the applicable Market Open Purchase Valuation Period and if the Company specifies a limit order discontinue election, any trades in the Common Stock during the applicable Market Open Purchase Valuation Period at a price below the applicable minimum price threshold determined in accordance with the Purchase Agreement.

In addition to the Market Open Purchases described above, after the Commencement, the Company will also have the right, but not the obligation (subject to the continued satisfaction of the purchase conditions contained in the Purchase Agreement), to direct B. Riley Principal Capital II to purchase, on any trading day that would qualify as a Purchase Date on which the Company may elect to effect a Market Open Purchase, whether or not a Market Open Purchase is effected by the Company on such trading day, a specified number of shares of Common Stock, not to exceed certain limitations set forth in the Purchase Agreement that are similar to those applicable to Market Open Purchases (each, an “Intraday Purchase”), by timely delivering an irrevocable written notice of such Intraday Purchase to B. Riley Principal Capital II after 10:00 a.m., New York City time (and after the Market Open Purchase Valuation Period for any earlier Market Open Purchase and the Intraday Purchase Valuation Period (defined below) for the most recent prior Intraday Purchase effected on the same Purchase Date, if applicable, have ended), and prior to 3:30 p.m., New York City time, on such Purchase Date (each, an “Intraday Purchase Notice”), so long as (i) the closing sale price of the Common Stock on Nasdaq on the trading day immediately prior to such Purchase Date is greater than \$1.00 and (ii) all shares of Common Stock subject to all prior Market Open Purchases and all prior Intraday Purchases effected by the Company under the Purchase Agreement (as applicable) have been received by B. Riley Principal Capital II at such time and in the manner set forth in the Purchase Agreement.

The per share purchase price for the shares of Common Stock that the Company elects to sell to B. Riley Principal Capital II in an Intraday Purchase pursuant to the Purchase Agreement, if any, will be calculated in the same manner as in the case of a Market Open Purchase (including the same fixed 3.0% discount to the applicable VWAP used to calculate the per share purchase price for a Market Open Purchase, as described above), provided that the VWAP for each Intraday Purchase effected on a Purchase Date will be calculated over different purchase valuation periods during the regular trading session on Nasdaq on such Purchase Date than the Market Open Purchase Valuation Period applicable to a Market Open Purchase effected on such Purchase Date (if any), each of which will commence and end at different times on such Purchase Date and will not overlap with any other purchase valuation period on such Purchase Date (each, an “Intraday Purchase Valuation Period”).

There is no upper limit on the price per share that B. Riley Principal Capital II could be obligated to pay for the Common Stock the Company may elect to sell to it in any Market Open Purchase or any Intraday Purchase under the Purchase Agreement.

Under the applicable Nasdaq rules, in no event may the Company issue to B. Riley Principal Capital II under the Purchase Agreement more than 1,972,924 shares of Common Stock, subject to adjustment, which number of shares is equal to 19.99% of the shares of Common Stock issued and outstanding immediately prior to the execution of the Purchase Agreement (the “Exchange Cap”), unless (i) the Company obtains stockholder approval to issue shares of Common Stock in excess of the Exchange Cap in accordance with applicable Nasdaq rules, or (ii) the average price per share paid by B. Riley Principal Capital II for all of the shares of Common Stock that the Company directs B. Riley Principal Capital II to purchase from the Company pursuant to the Purchase Agreement, if any, equals or exceeds \$3.57 per share (representing the lower of (a) the official closing price of the Common Stock on Nasdaq immediately preceding the execution of the Purchase Agreement and (b) the average official closing price of the Common Stock on Nasdaq for the five consecutive trading days immediately preceding the execution of the Purchase Agreement), so that the Exchange Cap limitation will not apply to issuances and sales of Common Stock pursuant to the Purchase Agreement. Moreover, the Company may not issue or sell any shares of Common Stock to B. Riley Principal Capital II under the Purchase Agreement which, when aggregated with all other shares of Common Stock then beneficially owned by B. Riley Principal Capital II and its affiliates (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 13d-3 thereunder), would result in B. Riley Principal Capital II beneficially owning more than 4.99% of the outstanding shares of Common Stock.

The Company currently plans to use any net proceeds therefrom for working capital and general corporate purposes.

The Purchase Agreement and the Registration Rights Agreement contain customary representations, warranties, conditions and indemnification obligations of the parties. The representations, warranties and covenants contained in such agreements were made only for the purposes of such agreements, were solely for the benefit of the parties to such agreements and may be subject to limitations agreed upon by the contracting parties.

The Purchase Agreement will automatically terminate on the earliest to occur of (i) the first day of the month following the 36-month anniversary of the Commencement Date, (ii) the date on which B. Riley Principal Capital II shall have purchased from the Company under the Purchase Agreement shares of Common Stock for an aggregate gross purchase price of \$10,000,000, (iii) the date on which the Common Stock shall have failed to be listed or quoted on Nasdaq or another U.S. national securities exchange identified as an “eligible market” in the Purchase Agreement for a period of one trading day, (iv) the 30th trading day after the date on which a voluntary or involuntary bankruptcy proceeding involving the Company has been commenced that is not discharged or dismissed prior to such 30th trading day, and (v) the date on which a bankruptcy custodian is appointed for all or substantially all of the Company’s property or the Company makes a general assignment for the benefit of its creditors.

As consideration for its irrevocable commitment to purchase shares of Common Stock at the Company’s direction under the Purchase Agreement, the Company agreed to pay B. Riley Principal Capital II a cash commitment fee in the amount of \$100,000, which fee may be waived in part or in whole in certain circumstances.

In addition, the Company has agreed to reimburse B. Riley Principal Capital II for the reasonable legal fees and disbursements of B. Riley Principal Capital II’s legal counsel in connection with the transactions contemplated by the Purchase Agreement and the Registration Rights Agreement in an amount equal to \$50,000 as follows: (i) \$25,000 of which the Company paid prior to execution of the Purchase Agreement and Registration Rights Agreement and (ii) \$25,000 of which the Company agreed to pay on or prior to the Commencement Date. The Company has also agreed to reimburse B. Riley Principal Capital II up to \$5,000 per fiscal quarter for the reasonable legal fees and disbursements of B. Riley Principal Capital II’s legal counsel in connection with quarterly and annual bring-down due diligence investigations and related matters as contemplated by the Purchase Agreement.

Under applicable rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”), a “qualified independent underwriter” (as defined in the applicable FINRA rules) is required to participate in the preparation of a registration statement that the Company has agreed to file with the SEC under the Registration Rights Agreement to register the resale by B. Riley Principal Capital II of shares of Common Stock under the Securities Act that may be issued and sold by the Company to B. Riley Principal Capital II from time to time pursuant to the Purchase Agreement, and is also required to exercise the usual standards of “due diligence” with respect thereto. Accordingly, the Company has engaged Seaport Global Securities LLC, a registered broker-dealer and FINRA member (“Seaport”), to be the qualified independent underwriter in connection with the offering of Common Stock that may be made pursuant to such resale registration statement. B. Riley Principal Capital II has agreed to pay Seaport a cash fee of \$50,000 as consideration for its services and to reimburse Seaport up to \$5,000 for expenses incurred in connection with acting as the qualified independent underwriter in connection with the offering of Common Stock that may be made pursuant to such resale registration statement. Upon entering into the Purchase Agreement, the Company paid Seaport the \$50,000 cash fee and \$5,000 to reimburse Seaport for expenses.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are qualified in their entirety by reference to the full text of such agreements, copies of which are attached hereto as Exhibit 10.1 and 10.2, respectively, and each of which is incorporated herein in its entirety by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02 in its entirety. The securities that have been or may be issued under the Purchase Agreement are being offered and sold by the Company in a transaction exempt from registration under the Securities Act, in reliance on Section 4(a)(2) thereof and Rule 506(b) of Regulation D thereunder. B. Riley Principal Capital II represented to the Company in the Purchase Agreement that it is an “accredited investor,” as defined in Regulation D, and is acquiring the securities under the Purchase Agreement for its own account, for investment purposes and not with a view towards, or for resale in connection with, the public distribution thereof in violation of the Securities Act or any applicable state securities or “Blue Sky” laws. Accordingly, the offer and sale by the Company of the securities that have been or may be issued to B. Riley Principal Capital II under the Purchase Agreement is not being registered under the Securities Act or any applicable state securities or “Blue Sky” laws and, therefore, such securities may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act and any applicable state securities or “Blue Sky” laws.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities of the Company, nor shall there be any sale of any securities of the Company in any state or other jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Item 7.01 Regulation FD Disclosure.

On February 18, 2026, the Company issued a press release announcing the Purchase Agreement. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information in this Item 7.01 of this Current Report on Form 8-K and Exhibit 99.1 attached hereto is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Securities Act or the Exchange Act, except as expressly set forth by specific reference in such filing.

Stardust Power Secures up to \$10.0 Million in Financing

GREENWICH, Conn. – Date February 18, 2026 – Stardust Power Inc. (NASDAQ: SDST) (“Stardust Power” or the “Company”), an American developer of battery-grade lithium carbonate, today announced it has secured up to \$10.0 million in common equity financing (the “Equity Facility”). The Company has entered into a common stock purchase agreement with B. Riley Principal Capital II, LLC (“B. Riley”), that provides the Company with the ability to raise up to \$10.0 million of capital at its discretion over a period of 36 months, subject to customary terms and conditions.

Under the Equity Facility, Stardust Power has the right, but not the obligation, to sell shares of its common stock to B. Riley over a three-year period. This structure allows the Company to raise capital incrementally, avoid large block discounts, and align funding activity with its business needs.

Proceeds from any sales under the Equity Facility are expected to be used for supporting pre-construction and construction activities, long-term growth objectives, working capital and general corporate purposes. The Equity Facility includes customary safeguards, including ownership limitations, Nasdaq compliance thresholds, and pricing protections, and does not restrict the Company’s ability to pursue alternative financing strategies outside of certain defined parameters.

“This facility provides Stardust Power with a flexible capital tool as we advance a strategically important U.S. lithium project,” said Roshan Pujari, Founder and CEO of Stardust Power. “It allows us to strengthen our balance sheet on our terms, while remaining disciplined and opportunistic in how and when we access the capital markets, preserving optionality as we move toward key execution milestones.”

In connection with the Equity Facility, the Company filed a registration statement on Form S-1 (File No. 333-293405) with the Securities and Exchange Commission on February 12, 2026, which was declared effective on February 17, 2026, for the resale by B. Riley of the securities it may purchase in the Equity Facility.
