On December 14, 2023, Global Partner Acquisition Corp II (the “Company” or “GPAC II”) drew an aggregate of \$150,000 (the “Extension Funds”), as approved by unanimous director resolution, dated December 6, 2023, pursuant to the Promissory Note, dated January 13, 2023 between the Company and Global Partner Sponsor II LLC (the “Note”), which Extension Funds the Company deposited into the Company’s trust account for its public shareholders. This deposit enables the Company to extend the date by which it must complete its initial business combination from December 14, 2023 to January 14, 2023 (the “Extension”). The Extension is the ninth of nine one-month extensions permitted under the Company’s amended and restated memorandum and articles of association and provides the Company with additional time to complete its initial business combination. The Note does not bear interest and matures upon closing of the Company’s initial business combination. In the event that the Company does not consummate a business combination, the Note will be repaid only from amounts remaining outside of the Company’s trust account, if any. Up to \$1,750,000 of the total principal amount of the Note may be converted, in whole or in part, at the option of the lender into warrants of the Company at a price of \$1.50 per warrant, which warrants will be identical to the private placement warrants issued to Global Partner Sponsor II LLC at the time of the initial public offering of the Company.
